

Universal CrystaLogic®

COMMERCIAL WHITE LED LIGHTING

COMMERCIAL POOL LIGHTING

Industry's brightest
100W spa, 300W,
500W equivalent white
LED pool lights

Universal CrystaLogic® presents a compelling opportunity for any owner/operator to drastically cut operational cost while delivering game-changing performance.

CrystaLogic is available to virtually anyone; its all-plastic construction is truly universal. It's UL listed to retrofit virtually any installed niches, allowing most lights to be upgraded. These 12V, 2-wire, all-plastic lights can be installed as close as 4 inches from the waterline, and even upward facing without a rock guard, opening a wide range of new applications.

The optimized LED and optic design delivers both extraordinary lumen per watt energy efficiency and associated long lifetime cost. Our 100W spa, 300W and 500W equivalent white LED pool lights are the industry's brightest based on each power rating*. All pool and spa lights offer dramatic energy savings of 84% over the incandescent lights they replace.

*Based on measured test data at the time of print.

Universal CrystaLogic® COMMERCIAL WHITE LED LIGHTING

FEATURES

- Brightest 100W spa, 300W and 500W equivalent white LED pool lights
- Uses up to 84% less energy than incandescent lights and lasts up to 10 times longer
- UL listed to retrofit into most manufacturers' installed niches makes CrystaLogic truly universal
- 12V, 2-wire, all-plastic construction with an unbreakable lens make these lights intrinsically safe and easy to install
- Energy and maintenance savings can deliver a payback in less than two years

- Can be installed as close as 4" from the waterline and upward facing without a rock guard, suitable for main pool/spa illumination, beach entries, steps, shelves, water features etc.
- UCL Thin Niche provides incredible installation savings for new construction
- Color Trim Rings for pool and spa lights include smooth white and silver luster starburst— both ship with product
- Additional Trim Ring options include white starburst, black, blue, beige & gray
- 1-year limited warranty on parts
- CrystaLogic white LED accent lighting available

Hayward Pentair Thermocraft

The Capability of Hayward LED Technology

These lights are UL listed for safe installation in virtually any niche, including Hayward, Pentair®, Jandy®, American®, Sta-Rite®, Purex®, Pacfab®, Swimquip® and CHD® niches. For additional information, please see our website.

Universal CrystaLogic is UL listed for wall and floor installation.

For new installations, the revolutionary shallow pool niche that does not require to be bonded or grounded, allows you to further save costs on installation and materials necessary to install this light.
